## Copies of Social Security Card and Form I-9 Documents

- To verify the Attendant's identity and employment status, the Attendant must submit copies of the documents used to fill out Form I-9 and the signed Social Security card to iLIFE.
- The most commonly used documents to fill out Form I-9 are a Social Security card and driver's license or state ID.
- If you would like to provide other identification documents, please read the last page of the Form I-9 for a list of other acceptable documents.
- A copy of the Attendant's signed Social Security card must be submitted regardless of which documents are used for Form I-9.
- Please make sure the documents are current, signed and not expired.
