FAQs (Frequently Asked Questions)

1. **Are the Zones referring to areas within the Bart Bus service area? Is Ashland Zone 1?** Zones are interchangeable in the Ashland/Bayfield Counties Service Area. For example: If you get on the bus in Ashland and get off the bus in Ashland, you stayed within 1 Zone. The rest of the zones add on as you go to different cities. For example: If you board the bus in Bayfield and get dropped off in Washburn, you will pay the 2 Zone fare price. Below is a breakdown of the zones:

Bayfield/Red Cliff to Washburn is 2-zones, Bayfield/Red Cliff to Ashland is 3-zones, Bayfield/Red Cliff to Odanah is 4-zones
2. **Is the volume pass a punch card?** The Volume Pass is a Punch card that does not expire. The rider hands the pass to the driver and the driver then marks/punches off the amount for the ride.
3. **These are fixed routes, correct?** Route 1 & 2 is a Fixed route, The Park Falls, Phillips, BayCo Door to Door Van Service & Blue Goose (Washburn) bus route is a demand route, The Ashland City Bus and Mellen Route is a point deviated route.
4. **If someone needs Door to Door service, do they call you to set that up? Would that be a separate fee?** To schedule a ride on the BayCo Door-to-Door service, a rider must call Dispatch at 715-682-9664. There is no additional fee for setting up a ride through dispatch. The first time a rider calls to schedule they will be set up in our system so for future rides they will only need to provide their name to get started with a ride. All demand routes require riders to call into dispatch to place their rides.
